

Easter: God's BIG Rescue

God created the world and it was perfect. He made us to rule over the world and enjoy all of the wonderful things He had created forever.

We turned our back on God and decided that we wanted to live life our way, not God's. This is called sin. As a result we could no longer enjoy all the good things that God had made for us, the world was now broken and we all are destined to die. Bad news.

But God loves us too much to leave us in this mess that we have created. Even though we don't deserve it, God came up with a rescue plan that would save us all.

Jesus sent his only son, Jesus, down to earth as a real man. Jesus sacrificed his life for us by dying on the cross. On the cross he took the punishment that was rightfully ours on himself and through his death we are able to enjoy all the good things that God intended for us right from the beginning.

If we ask Jesus to be our friend, then He promise he will rescue us. As friends of Jesus we can look forward to eternal life with God, as our friend. What an amazing thing!
