

How to make a prayer journal

To make the front cover, fold the green paper in half.

Cut down the fold so you are left with 2 A5 size pieces of paper.

Fold one of the A5 pieces in half again. This is your cover.

Repeat the process with the white paper, but keep both A5 pieces for each booklet. (This will give you 8 pages)

Please turn over

Tuck the white pages within the cover so as to form a booklet

Hole punch the booklet

Place treasury tags through the holes and then proceed to decorate. Use the booklet to record any things you feel God saying to you!
